Rule review: In the Sep 11 meeting, the group voted to close events and competitions to non-members. The only event non-members can send students to is Tournament.

Upcoming events:

Baroque and Classical is on Saturday, Dec 4th at O'Neill's. Parents and students will wait outside and will be called inside at the performance time. Students' assigned time represents a range of time and not the exact guaranteed performance time. If original music was purchased online, please black out the teacher's name on the sheets of music so the judge does not know whose student is performing.

Ensemble competition has been canceled this year. Rebecca Bellelo will chair the event next year in 2022.

Tournament has been confirmed for March 19th at LSU.

Rally sightreading, keyboard, and theory tests are confirmed for April 2nd at LSU. The date for performances has not yet been confirmed. We are still hoping for May 7th but need to wait for LSU's scheduling process.

Allen Fleming is planned on April 30th at O'Neill's.

Our next meeting will be Wednesday, January 19th at 10:00 am with a special presentation. The event will be in person at O'Neill's with a remote presentation from Kevin Olson.

Meeting adjourned by Yannah Gustafson.
